

SHUNEM MINISTRIES

Serving God's Servants

Glimpses

Recently, when asked to give a word of seasoned advice to new missionaries leaving for the field, my word to them was, "Remember who called you, set you apart, anointed you, and appointed you to your field of service. The One who called you to serve will be faithful. You can trust Him." In the ministry here at Shunem, we *remember* as well. It all belongs to him. We are privileged to serve missionaries, His servants on a moving walkway in ministry.

Let this journey be our home

From January to November, 262 missionaries have made Shunem House their home away from home. Stays vary from a night, a week, up to 6 months. The home has been occupied with missionaries 331 nights. One very special highlight this summer was when a sweet little MK, the daughter of missionaries to a Muslim country, gave her heart to Jesus upstairs in the play room. This ministry of hospitality and pastoral care invokes a unique awareness of Love and Home to each person as they come... and it lingers as they go.

"Let's make a little room...and furnish it...then he will have a place to stay whenever he comes by," *The shunemmite woman.*
